He married EVALENA MARY GORDON 17 Nov 1893 in Umatilla County, OR. She was born Sep 1877 in OR, and died 16 Jan 1959 in Umatilla, OR<sup>7</sup>.

Notes for ROBERT R CHAPMAN:

ORAL HISTORY by LLOYD CHAPMAN - 23 February, 1971.

Robert R. Chapman came from Sidney, Iowa with his parents Mr. & Mrs. David D. Chapman in 1875. They settled on the South Fork of the Walla Walla River, 7 miles from Milton, on the place now owned by Dr. Jack Woodhall, known as the Snow Storm House. His father raised horses.

They lived there until 1888 when Robert's father was struck in the chest and killed by a horse, while he was putting out salt. His mother and family later moved to Milton, where Robert met and married Eva Gordon in 1893, and they lived in Milton where their first two children were born; Lloyd and Earl. After a few years they moved up the Walla Walla River buying some land near the Forks of the river, on the South Fork, where they built a house, which is still standing; now owned by Burris Elliott. Their daughter, Iola, was born there in 1908. After a few years they bought a place about 3 miles farther up the South Fork, where he spent the rest of his life. Robert saw many changes on the river in his lifetime. In his days he could go out and watch a mess of trout in a few minutes and in the spring the river would be alive with Salmon. Now most of our fish is planted and hardly ever see a Salmon. He saw two power plants built on the river; one by the P.P.& L.CO., which he helped to build; and contracted and built the City Power pipe line from Milton Intake to Power Plant where the Dorion Park is now being built. Their children, Lloyd, Earl, and Iola are all still living on the river.

Notes for VERNE G HARTGRAVES:

Walla Walla Union Bulletin (Walla Walla, Washington) > 1945 > September > 9, page 16

Vern S. Hartgraves, AMM 1-c, USNR, of Freewater, received the navy cross at Tinian. The award was for his part in a daylight air strike at Marcus Island which smashed a Japanese attempt to mass planes for raids on strategic U.S. Central Pacific bases. Hartgraves' plane roared over the Jap airfield strafing and bombing installations and planes. Four enemy bombers were destroyed on the runways and installations were bombed and burned out of commission. His plane was hit by Japanese anti-aircraft fire which knocked two other U.S. planes from the sky. A shell exploded in Hartgraves' plane and caused belts of ammunition to explode and burn. Hartgraves grabbed the blazing, exploding boxes of ammunition and threw them out of the plane saving the aircraft from possible destruction. Hartgraves is the son of Idell Hartgraves of rout 1, Freewater. (U.S. Navy photo)
