WILLIAM S. FERGUSON

William F. Ferguson, who throughout his life has successfully engaged in farming and is now living at Athena, was born near Holden, Johnson county, Missouri, July 1, 1867, a son of James M. and Mary M. (Marquis) Ferguson. The father was born on the 4th of April, 1844, in Missouri, and the mother was a native of Lawrence, Kansas. The boyhood of James M. Ferguson was spent in Missouri, in which state his marriage later took place. In 1862 James M. Ferguson enlisted in the Union army, in Company E, Twelfth Kansas Volunteer Infantry, under command of General Steel, and he was active in many of the important battles of the war throughout Missouri, Kansas and Arkansas. In 1865 he was mustered out in Missouri. He then went to Kansas, where he was married in December of the same year, and he engaged in farming for some time. Mr. and Mrs. Ferguson later removed to Bates county, Missouri, where they farmed until 1878, when they came west, arriving in Umatilla county on the 8th of August, that year. They settled four miles from where Adams now stands, this location being at that time a wild open prairie. It was all stock country and Pendleton was the trading point. James M. Ferguson obtained some land on the Northern Pacific branch, squatters rights, which he improved, later sold and removed to near Adams, where he purchased one hundred and sixty acres, to which he added until he had eight hundred acres of well improved land. In 1893 he sold his ranch and moved to Pendleton and here lived retired until he was seventy-seven years of age, when his death occurred on the 9th of April 1921. The mother is living, being seventy-two years of age. Mr Ferguson was a staunch republican and maintained an interest in all of the community affairs. He was a representative citizen of Pendleton, as is his widow.

William S. Ferguson left Missouri with his parents when he was but ten years of age and received his education in the public schools of Umatilla county. In 1888 he entered the University of Michigan at Ann Arbor, where he took a two year course, and after putting his textbooks aside he returned to Umatilla county and leased land. but in 1898 began buying. He is now in possession of twelve hundred and eighty acres of wheat land in the vicinity of Athena and throughout Umatilla county.

Mr. Ferguson has been twice married, his first marriage having taken place in 1895, when Miss Josephine Harrington became his wife. Two children were born to this union: Geneva and Lynn. In 1910 Mr. Ferguson was married to Mrs. Minnie Andre, daughter of Albert H Robie of Boise, Idaho.

Since age conferred upon Mr. Ferguson the right of franchise he has given his allegiance to the republican party, in the interests of which he has taken an active part. Fraternally he is affiliated with the Masons, being a Knight Templar and having attained the thirty-second degree of the Scottish Rite. He is likewise an Elk. mr Ferguson was at one time prominent in the financial circles of Athena as vice president and director of the First National Bank, but his interest inthis organization he has sold and devotes his entire time to his agricultural interest.

## Notes for GEORGE EDWARD PERRINGER:

History of Oregon Pg 3\_661, The Pioneer Historical Publishing Company, 1922

### GEORGE EDWARD PERRINGER

George Edward Perringer, deceased, was for many years prominent in the agricultural circles of Umatilla county as a successful rancher and wheat man. He was born February 17, 1867, at Ft Scott, Kansas, a son of John W and Caroline (Falkner) Perringer, the former a native of Kentucky, while the latter was born near Nashville, Tennessee. John W. Perringer removed to Ft Scott, Kansas, at an early day and there engaged in farming until 1877 when, with his family, he removed to Umatilla county, near what is now the town of Adams and there took up government land, during the Indian wars. This farm consisted of one hundred and sixty acres and he operated it until 1889, when he moved to Los Angeles, California, where he retired and is still living, at the advanced age of ninety-six years. The death of his wife occurred when their son, George E., was but ten years of age. Mr Perringer has always taken an active interest in political affairs and he is a staunch supporter of the republican party.

George Edward Perringer was but ten years of age when his father removed to the vicinity of Adams and there George E received his education. After completing his common school course he took a business course in a college at Portland, after which he returned to his home near Adams and there engaged in farming. Later he bought a farm of four hundred and eighty acres, adjoining the home place, this he improved and resided on for a period of six years. Selling this land he rented land on the Indian reservation, which he operated in connection with the old home farm. In 1896 he went to Pendleton and built a fine home on Lewis street. he did not retire from active farm life, however, but purchased land on the Indian reservation which he improved and to which he added until he had three thousand five hundred acres and in addition owned valuable land in Alberta, Canada. he also had a two thousand acre ranch two miles from Pilot Rock, Umatilla County, and on all his land he had fine outbuildings equipped in an up-to-date manner. On the 21st of November, 1919, Mr Perringer was shot while in a hotel in Portland and his death, which came as a severe shock to the community in which he had long resided, left a void which it will be hard to fill.

On the 30th of September, 1890, the marriage of Mr. Perringer and Miss Ida Ferguson, a daughter of James and Mary (Marquis) Ferguson, was celebrated. Mrs Perringer was born in Missouri but was one of the early settlers of Umatilla county, having come here with her parents in 1878. They settled in the vicinity of Pendleton where the father took up government land, improved, built a fine home there and resided for four years. He then bough land near Adams, Umatilla county, which he operated until 1893, when he removed to Pendleton and bought a home. In recent years he built another home, where he resides retired, at the age of seventy-six years. Mrs Ferguson is also living and is seventy-one years of age. To the union of Mr and Mrs Perringer two children were born; Carl; and Muriel, now the wife of John Dolph of Pendleton. Mrs Perringer is residing in the home in Pendleton and is a highly respected citizen of the community, prominent in social and club circles.

The political allegiance of Mr. Perringer was given to the republican party, in the interests of which he always took an active part, although he never sought nor desired public office. In fraternal circles he was well known as an Elk and an Odd Fellow and his religious faith was that of the Methodist Episcopal church. Mr Perringer was the largest wheat rancher in eastern Oregon and a shrewd businessman. His business dealings were always conducted on the most honorable basis and he won the confidence and good will of all with whom he came into contact. In the passing of Mr. Perringer, Umatilla county lost one of her most prominent, successful and representative citizens.
