**Update on William BROADLEY b. abt. 1856 at unknown place. He is in Washington County, OR in the 1880 census with Mary. Mary who? We don't know. Maybe the census taker totally got the name wrong. Maybe Mary is a pet name or middle name of Laura LINE, his wife. Actually, there is no proof of a marriage to Laura LINE. According to a letter written in 1965**

by a grandchild of theirs, Laura gave illegitimate birth to their first child, Thomas Edgar BROADLEY in Laramie, WY, July, 1885 on their way to Oregon. Of course, no birth record for Thomas Edgar BROADLEY. Thomas dies in a tragic logging accident, Aug. 1935 in Benton County, OR. They then have William BROADLEY, Jan. 1878 in Umatilla County, OR. Next child is George BROADLEY b. Nov. 1880, Washington County, OR, the same year as William is noted with Mary in the 1880 census. George dies within two weeks of his brother, Thomas Edgar. Finally, their fourth son, Charles Franklin BROADLEY, b. Sept. 1882 in Washington County, OR. There is no death record for William BROADLEY. There is no divorce record for Laura and William. They may not ever have been married. She marries Zebulon FAWCETT in Dec. 1884 in Umatilla County, OR. William BROADLEY is not found after the 1880 Washington County, OR census. Anyone know more about this illusive William BROADLEY?
