Dear Linda Kracke and Sarah Olson,

I recently found your genealogy of descendents of John Jackson Galloway. I really appreciate all your work. I recently sponsored a family reunion for all the descendents of Philip Foster. That was held at The philip foster farm historic oregon trail site . If I had known about you I would have invited you. My mother was born Joanne Galloway. When growing up I knew my great grandmother who was born Ethel Foster. At one family gathering thirty or so years ago my grandfather Dale Sherman Galloway got upset with all the talk about the Foster side of the family. He proudly proclaimed that the Galloways had been in the Northwest just as long. I knew a certain amount about the Galloway side of my family, but your genealogy has given me a lot more information and also corrected misinf ormation I had. I have sent the site to my sister Debbie Nyback Rogers. I assume she has sent to various others. Other than collecting family stories I have never delved deeply into genealogies. I do know they are lot of work.

Thanks
