EDWIN H. CATON

A prominent resident of Athena, Umatilla county, is Edwin H. Caton, who for many years engaged in farming in this county but is now living retired, enjoying the fruits of his diligence and industry. He is a native son of Oregon, his birth having occurred in Marion county, on the 22d of July, 1854, a son of Nathan T. and Martha A. (Harren) Caton. The father was born near St. Louis, Missouri, and when about nineteen years of age came west, making the journey by way of the Isthmus of Panama and settling in San Francisco for a short time.

For one year he followed mining, in which venture he achieved a substantial measure of success, but gave up that occupation in 1852, and removed to Willamette Valley, Oregon, taking up a donation claim in Lane county. He later obtained some land in Marion county near Salem, on which he built a log house and resided thereon for a number of years. He was a prominent man of his community and held various public offices. During the administration of President Buchanan he was appointed to the office of postmaster and he served as county clerk a number of terms, likewise representing Wallowa county in the legislature for two terms. Nathan T. Caton had devoted considerable time to the study of law and soon after his removal to Lincoln county he was called upon to fill the office of district attorney. He was attorney for the Northern Pacific Railroad and in 1896 was a presidential elector. Mr. Caton continued his professional practice until his retirement a few years before his death, which occurred at the home of his daughter in Rothland, B. C. He was then eighty-three years old and had lived a useful life. His political allegiance was given to the democratic party, his religious faith was that of the Christian church, and his fraternal affiliations were with the Masons and Knights of Pythias. Nathan T. Caton enlisted in the Union army, during the Civil war and served bravely and gallantly. He saw active service in the Mexican war and likewise participated in the Indian wars of southern Oregon. He married Miss Martha A. Harren, on the 14th of April, 1853. She was born in Decatur county, Indiana, and in 1845 crossed the plains with her parents, who made the trip as members of a wagon train. Many hardships were endured during the journey and they were the center of several Indian attacks. They followed the old Oregon Trail and were lost trying to find the Meeks cutoff, nearly starving before they reached The Dalles, Oregon. They stopped here but a short time and then went to Marion county and settled near Salem, taking up a donation claim of six hundred and forty acres, which he brought to a high state of cultivation and on which he built a substantial log house. On this land the death of Mrs. Caton's father took place, March 2, 1864, and her mother passed away on the 15th of September, 1881. Mrs. Caton's demise occurred in Davenport, Washington, at the age of sixty-seven years.

The boyhood of Edwin H. Caton was spent in Marion county, where he received his education and when twelve years of age he removed with his parents to Wallowa county, Washington, where he resided until he was twenty-five years of age and followed the bricklaying trade. In 1887 he left Wallowa, Washington, and came to Oregon, where he purchased his present farm of ninety-one acres. On this land he lived for a number of years and there is no phase of agriculture which he does not understand. While residing in Wallowa, Mr. Caton has studied law quite extensively but because of failing eyesight he was forced to give up his efforts and hopes in this connection. Mr. Caton is now living retired in Athena, enjoying the results of his life of diligence and industry. While on his farm in Umatilla county he followed dairying, in which venture he was also successful.

On the 29th of October, 1879, Mr. Caton was married to Miss Catherine Lieuallen, a daughter of Josiah and Johannah (Campbell) Lieuallen the former a native of

Nashville, Tennessee, and the latter of Knoxville, Kentucky. When a young man the father of Mrs. Caton went to Missouri, settling in Mercer county, where his marriage took place and where he engaged in farming until 1863, when he brought his family across the plains and located near what is now Athena on a ninety-one acre tract, on which he built a log house and otherwise improved the land. He operated this land until his death which took place on the 30th of October, 1890. His wife died on the 25th of June, 1887. The political allegiance of Mr. Lieuallen was given to the democratic party and both he and his wife were consistent members of the Baptist church. To the Union of Mr. and Mrs. Caton, four children have been born: Blanche, Mary, Mattie, and Thomas.

Mr. Caton is a democrat in politics, stanchly supporting all measures and interests which he deems of value in the upbuilding of community and commonwealth. He is a member of the Masonic fraternity and of the Woodmen of the World. His interest in public and civic affairs is manifest in his connection with the city council and the school board of Athena.
